July 24, 2024

¡Hola!

After a long and enjoyable career as a human and animal chiropractor, it is with mixed emotions that I announce my retirement as of Friday, July 26th, 2024.

The healing arts have been my passion since childhood. I became a licensed chiropractor in 1992. I was the first chiropractor in Texas to become certified in animal chiropractic.

Throughout my career I have championed not only for my clients but also for my profession. I led challenges to law and procedure, set precedents, served on boards, collaborated with medical and veterinary professionals, and mentored countless students along the way. In 2019, I was inducted into the Chiropractic Hall of Fame and honored with the Lifetime Achievement Award.

In 1993, I opened the Alternative Health and Wellness Center in Houston, Texas. Years later when legislation required separating human and animal treatment areas, I created the Texas Animal Wellness Center. My hands-on, whole body approach integrates multiple techniques that help to restore the physiological and biomechanical mechanisms of movement for both humans and animals.

I have selected Dr. Rylan Holub, DC, AVCA, of Tomball, Texas, to carry on my legacy. He is the owner of:
Elite Animal Chiropractic, www.eliteanimalchirotx.com, 281-702-1304, and
Elite Family Chiropractic, www.elitefamilychirotx.com, 346-367-9747.

DocRylan and I first met when he was a student in the animal chiropractic certification program; he shadowed me during a school break. I was then and continue to be impressed by his knowledge of human and animal chiropractic, his philosophy, and his whole body approach. Like me, he believes it's important to address the whole body from head-to-toe; a philosophy taught but rarely practiced.

I am grateful and honored DocRylan will continue my legacy. He and I are committed to providing you with a seamless transition from my practice to his. All of my clients will be considered established patients of DocRylan and price schedules will remain the same.

It has been an honor and a pleasure to have served you all of these years. You are in great hands with DocRylan Holub!

In wellness,

DocJackie

Dr. Jacqueline A. Doval-Everson, MS, DC, AVCA
